

Gas Courses - Domestic Heating

Domestic Heating

Reference Number : **600/1253/5**

Type : **Diploma**

Level: **3**

Sector : **Gas**

What is this qualification?

This qualification is a National Vocational Qualification (NVQ). It involves the skills and knowledge needed to do the job, ability to organise work and identify and prevent problems. The achievement of an NVQ will encourage an employee to value their contribution to the workplace, and it will develop their skills and potential. This qualification requires occupational evidence.

What are the pre-requisites?

Learners must have successfully completed:

- EAL Level 2 NVQ Diploma in Domestic Heating or
- EAL Level 2 NVQ Diploma in Plumbing and Heating.

Centres should also ensure that the learners have the potential to achieve the units selected within this qualification. Learners must have the minimum levels of literacy and numeracy to comply with the health and safety aspects of the scheme, the completion of the learning outcomes and any assessment requirements.

Who is this qualification for?

- Individuals who are employed in the domestic heating industry
- Learners employed on a SummitSkills apprenticeship framework.
