Gas Fired Water & Central Heating Appliances

Domestic Plumbing and Heating NVQ

Reference Number : **600/1657/7**

Type : **Diploma Level 3**

Sector : **Plumbing**

What is this qualification?

This qualification is a National Vocational Qualification (NVQ). It involves the skills and knowledge needed to do the job, ability to organise work and identify and prevent problems. The achievement of an NVQ will encourage an employee to value their contribution to the workplace, and it will develop their skills and potential.

What are the pre-requisites?

Learners must have successfully completed: EAL Level 2 NVQ Diploma in Plumbing and Heating. Centres should also ensure that the learners have the potential to achieve the units selected within this qualification. Learners must have the minimum levels of literacy and numeracy to comply with the health and safety aspects of the scheme, the completion of the learning outcomes and any assessment requirements.
