Overview

Reference Number

603/3298/0

Type Award

Level 3

Sector Electrotechnical

What is this qualification?

This award gives the learner an understanding of the application of the IET Wiring Regulations 18th Edition. It provides a facility for individuals working in the electrotechnical sector to develop and/or enhance their knowledge of the Requirements for Electrical Installation.

What are the pre-requisites?

Learners must be at least 16 years old. There are no formal entry requirements for the qualifications. However, learners must have the potential to achieve all aspects of the qualification. In particular, learners should be able to demonstrate that they have the minimum levels of literacy and numerary required for the completion of the learning outcomes and the assessment.

Who is this qualification for?

Personnel involved in the electrotechnical sector such as electricians, designers and inspectors who wish to update their knowledge to the IET Wiring Regulations Eighteenth Edition.

Learners who wish to gain an understanding of BS 7671.
